- 9:45 am—Return to HA. Unload equipment and return to class.**

Scheduling for this event is determined by factors beyond my control, such as our band's classification and required travel time.

The Music Performance Assessment (MPA) is a significant event for our band, representing the highest level of full-band evaluation offered by the Alabama Bandmasters Association. Unlike other activities, band programs do not have a designated state championship. MPA is the closest equivalent event offered, serving as the premier evaluation of full band performances in Alabama.

We have diligently prepared three selections of music, which we will present to a panel of judges for assessment and rating.

ATTIRE: Boys-Long Khaki Pants and Royal Blue Shirt. Girls-Plaid Skirt and Royal Blue Shirt

All are welcome to attend our performance! It's great to have an audience and we would love the support. The Enterprise Performing Arts Center is located at Enterprise High School.

Sincerely,

James A. Holmes
