LAPTOP BAGS FOR 11-INCH MACBOOK AIRS
GRADE 5 and GRADES 7-12

Below is a list of 11-inch MacBook Air laptop bags that meet the required specifications. They are not the only acceptable bags but should aid you in choosing one. **Do not purchase a bag without a shoulder strap or one made of neoprene.** I would also suggest that you purchase a hard case shell cover. This is optional but has proven helpful in protecting the corners from damage that results in an insurance claim (and a \$100 deductible.)

If you use a 13-inch bag, you will need a neoprene sleeve to protect the laptop. We have several available that we can give to you, first come, first served. If you purchase an 11-inch bag, a neoprene sleeve won't fit and will not be necessary. **No bags larger than 13 inches will be approved.**

Suggestion for optional Hard-Shell Cover. This one is available in a variety of colors.
